Tremblay; ☎ 02 99 97 74 20; [www.brittany-cottages.co.uk](http://www.brittany-cottages.co.uk). 25km (15.5 miles) northwest of Fougères on D155.

The high quality and child-friendliness of these three stone cottages in a 17th-century *longère* or longhouse within large lawned gardens means you have to snap them up early in the high season. Set in a peaceful hamlet yet well-placed for the coast, these buildings have been tastefully converted, retaining

their exposed beams and stone walls. Facilities include a pool with a retractable roof, play equipment, a boules court, free bicycle loan, and DVD, books and games loan. There's also plenty of baby equipment to borrow, including stairgates. Les Hirondelles sleeps four plus a baby, Les Alouettes sleep six plus babies, and Les Chouettes sleeps 12 plus babies. All have open-plan living-dining areas and private terraces. Guests get a 20% reduction on crossings with Brittany Ferries (p. 23).
